Project Management

Images, videos, PDFs and audio files are supported. Create math expressions and diagrams directly from the app. Take photos with the mobile app and save them to a note.

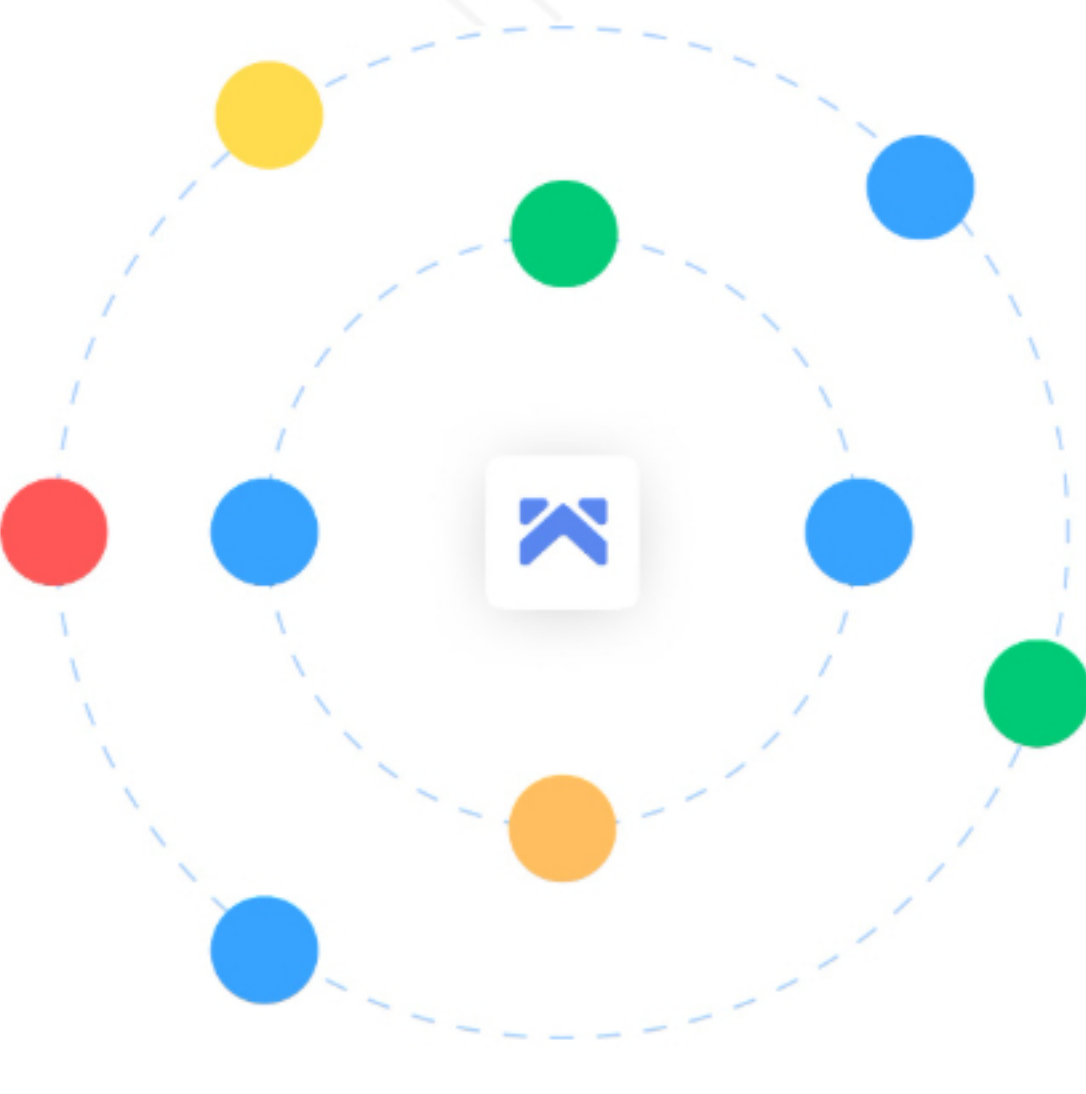

Get Started →

Work together

With workspace, share your notes with your colleagues and collaborate on them. You can also publish a note to the internet and share the URL with others.

Try it now →

Use as Extension

Use the web clipper extension, available on Chrome and Firefox, to save web pages or take screenshots as notes.

Let's Go →

Customise it to your needs

Customize the app with plugins, custom themes and multiple tool options (Rich Text or Markdown). Or create your own custom plugin using the Extension API.

100% your data

The app is open-source and your data are stored on your own device, so only you'll ever have access to them. Uses End-to-End Encryption (E2EE) to secure your notes and ensure no one but yourself can access them.
